

# DUI's can happen to ANYONE!

## Sally's unfortunate adventure

Sally goes out to happy hour and has drinks with friends.

Sally tries to drive home and gets pulled over.

She blows a .12 and gets arrested.

Sally must install an interlock to continue driving.

With so much information out there, Sally is confused.

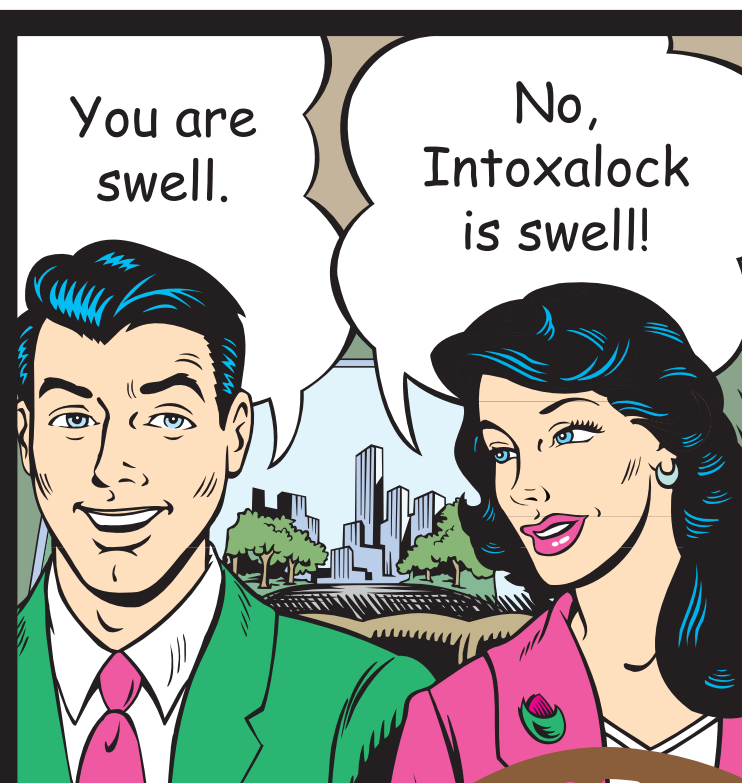

After doing research, Sally decides Intoxalock is the best.

Intoxalock schedules her installation near her home.

Intoxalock is installed. Sally regains her license!

Sally is driving legally with Intoxalock.

Mistakes happen. When they do, Intoxalock will be there to rescue you.
