Regain your license in Iowa

with a state certified ignition interlock

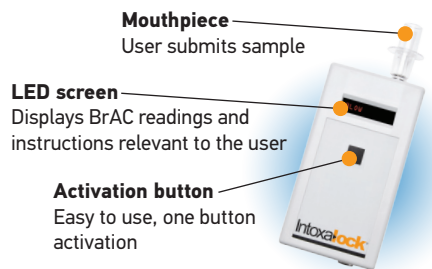

HOW CAN I GET MY LICENSE BACK?

If you are reading this brochure, it is likely that you or a loved one has been pulled over for Operating While Intoxicated (OWI). Getting an ignition interlock device installed in your vehicle is an important step in regaining your license in Iowa. This brochure will take you through all the necessary steps based on your offense and will assist you in getting back on the road quickly and legally.*

*State laws can change at any time. The information in this brochure is just a guideline. For the most up to date information, visit www.iowadot.gov/mvd/ods/owi.html

WHAT IS AN IGNITION INTERLOCK?

An ignition interlock device (IID) integrates breath alcohol testing with your vehicle's ignition system. Prior to starting your vehicle, you will need to submit a breath sample into the hand held portion of the device that tests for the presence of alcohol. If your Breath Alcohol Concentration (BrAC) is below Iowa's ignition interlock set limit (0.025), your vehicle will start. If alcohol is detected, your vehicle will not start until a passing sample has been provided.

ABOUT INTOXALOCK

Intoxalock has been manufacturing ignition interlocks for over 20 years. We were the first company to use fuel cell technology and continue to be an industry leader in reliability, customer service and technology.

- Over 90,000 customers served annually
- Over 1,800 service centers nationwide
- 20 years of industry leadership

TEMPORARY RESTRICTED LICENSE

If you are an Iowa resident and your Iowa driver's license has been revoked, suspended or barred, you may be eligible for a Temporary Restricted License (TRL). A TRL allows you to drive for specific reasons and during specific times.

- Employment (work permit)
- Health care for you or a dependent
- Child care
- Continuing education
- Substance abuse treatment
- Court-ordered community service
- Probation or parole appointments

For information regarding your TRL eligibility, contact:

Office of Driver Services
Iowa Department of Transportation (DOT)
 Phone: (515) 244-9124 or (515) 244-8725
 Toll-free in Iowa: (800) 532-1121
 Fax: (515) 239-1837
 Email: ods@dot.iowa.gov

To apply, submit a Temporary Restricted License Application, form 430100. If you are approved, you will receive a notice to take with you to a DOT driver's license station where you may be required to:

- Pass all required examinations (vision, written and/or driving)
- Pay any civil penalties, a \$20 reinstatement fee and the cost of a new license
- Complete all requirements of Iowa's OWI law
- Install an ignition interlock device (IID)

WE PROUDLY MAINTAIN A 4 ½ STAR CUSTOMER SATISFACTION RATING ON TRUSTPILOT.

REFUSAL

Iowa's implied consent law states that any person who operates a vehicle in the state agrees to have a blood, breath and/or urine test performed if there is a reasonable doubt they are operating while under the influence. A first refusal to provide a breath sample or field sobriety test, will result in a one year license revocation. If you refuse a second or subsequent test, your license will be revoked for two years. However, you may apply for your TRL immediately but will not be eligible for 90 days.

FOR A FIRST OFFENSE OWI, IT IS POSSIBLE TO REDUCE YOUR COURT FEES BY UP TO \$625 AN IID.*

*This is solely at the discretion of the judge on a case-by-case basis.

FIRST OFFENSE

If you are convicted of a first offense OWI in Iowa and you do not have a prior conviction or revocation in the preceding 12 years, your license will be revoked for six months. However, you may apply for you TRL immediately.

You are eligible for your TRL:

- Immediately if your BAC level was below 0.15 and you are 21 years of age or older
- 30 days from the effective date of the sanction if your BAC level was 0.15 or above, or an accident occurred
- 60 days from the effective date of the sanction if you are under the age of 21

NOTE: You must install an IID if an accident occurred or your Blood Alcohol Content (BAC) was greater than 0.10 to be eligible for a TRL.

SECOND OFFENSE

If you are convicted of a second offense OWI in Iowa or have one or more revocations in the preceding 12 years, your license will be revoked for one year. However, you may apply for your TRL immediately but will not be eligible for 45 days.

NOTE: You must install an IID for one year from the date of reinstatement on all vehicles owned and operated.

THIRD OFFENSE

If you are convicted of a third or subsequent offense OWI in Iowa, your license will be revoked for six years. However, you may apply for you TRL immediately but will not be eligible for one year.

NOTE: You must install an IID on all vehicles owned and operated.

CALIBRATIONS

The state of Iowa requires all ignition interlock devices be calibrated every 60 days. **However, Intoxalock is the only provider who is certified to perform calibrations only once every six months.** A calibration consists of exchanging your current device for a newly calibrated one, ensuring accurate and consistent testing.

Intoxalock direct exchange calibrations

Intoxalock offers its customers direct exchange calibrations in the state of Iowa. When your current device is due for calibration, the LED screen will display a message alerting you it is time to exchange devices. Intoxalock will automatically send a new one to your home address. You simply exchange your current device with the new one and ship back the old one using the provided return label. Intoxalock's direct exchange program saves you time and money by eliminating the need to return to a service center for the calibration process.

LAST YEAR, INTOXALOCK HELPED OVER 90,000 DRIVERS GET BACK ON THE ROAD SAFELY AND RESPONSIBLY.

CERTIFIED INSTALLATION LOCATIONS

Intoxalock has over 60 authorized service center locations throughout the state, **more locations than any other provider.** Mobile servicing is also available in select locations.

Visit www.Intoxalock.com/Find-an-Installation-Location and enter your zip code to find the service center locations nearest to you.
